

Jobs of Tomorrow Scholarships

Information for providers

Jobs requiring skills in science, technology, engineering or mathematics (STEM) are expected to be in high demand in the future. That's why the NSW Government is encouraging students who are considering training in a STEM-related qualification to enrol and apply for a Jobs of Tomorrow Scholarship worth \$1,000.

Who is eligible to apply for a Jobs of Tomorrow Scholarship?

To be eligible for a scholarship, the student must enrol in a Smart and Skilled qualification that is listed as eligible for a Jobs of Tomorrow Scholarship.

The student must commence studying the qualification on or after 1 January 2016 and meet the Smart and Skilled eligibility criteria.

How many Jobs of Tomorrow Scholarships are available?

There are 25,000 scholarships available from 2016 to 2019. In each calendar year, the first 6,250 eligible students who apply and have their enrolment confirmed will be offered a scholarship.

How do I know if a qualification attracts a Jobs of Tomorrow Scholarship?

Selected higher-level qualifications – up to Advanced Diploma level – in broad areas such as nursing and healthcare, engineering and information and communications technology are eligible for a scholarship.

See the list of eligible qualifications on our web page at smartandskilled.nsw.gov.au/for-students/scholarships/jobs-of-tomorrow-scholarships. This list is updated with current qualifications throughout the year to coincide with updates to the NSW Skills List.

These qualifications are indicated by a “J” on the NSW Skills List (www.training.nsw.gov.au/smartandskilled/nsw_skills_list.html).

The qualifications eligible for a Jobs of Tomorrow Scholarship will have a yellow ‘JoT Scholarship’ flag on the Course Finder on the Smart and Skilled website (smartandskilled.nsw.gov.au).

For enquiries and Notifications of Enrolment undertaken in the Provider Calculator, the Eligibility Enquiry Report (or quote) and the Notification of Enrolment documents will contain a statement about the scholarship if the student is undertaking an eligible qualification.

How does a student apply for a Jobs of Tomorrow Scholarship?

Students can apply for a Jobs of Tomorrow Scholarship after they have enrolled in an eligible qualification and their enrolment has been confirmed with the Department through the Notification of Enrolment process.

To apply, students should:

1. Go to www.service.nsw.gov.au/transaction/apply-jobs-tomorrow-scholarship
2. Login to their existing MyServiceNSW Account or create an account if they do not already have one

3. Complete the online application for a scholarship.
4. Select 'Apply' to submit their application.
5. Complete the identity check form.
6. Select 'Submit' to complete the identity check and finish the application.

To complete the application, students will need:

- their Commitment ID (from the student copy of the Notification of Enrolment document)
- one of the following documents to verify their identity:
 - Australian driver licence
 - Australian passport
 - Australian visa
 - Australian Medicare card
 - Australian Birth Certificate
 - Australian Marriage Certificate
 - Australian Change of Name Certificate
 - Australian Certificate of Registration by Descent
 - Australian Citizenship Certificate
 - Australian ImmiCard

Note: If their application is successful, students will also need to supply their Australian bank account details so they can be paid their scholarship. This can be done when they apply, or their application can be updated online at a later date as required.

Students will be notified of the status of their application by SMS or email.

Please ensure that you provide the student with their copy of the Notification of Enrolment document, which shows their Commitment ID, in order for them to complete their application.

When will a student be paid their Jobs of Tomorrow Scholarship?

An initial payment of \$500 will be made directly to the student on confirmation of commencement.

The final instalment of \$500 will be paid when the Department is notified that the student has successfully completed their training.

The timing of payments to students is dependent on the timeliness of your reporting through eReporting, so please ensure you submit data on time as per the Smart and Skilled reporting requirements.

Is there a limit to the number of scholarships a student can get?

Students can only receive one scholarship between 1 January 2016 and 31 December 2019.

INDUSTRY PARTNERSHIPS

What other benefits and opportunities are there for scholarship students?

The NSW Government is partnering with a number of employers and employer groups to provide additional support for scholarship recipients. By contacting an industry partner during their training, scholarship recipients could be offered opportunities such as mentoring, networking and work experience.

Further details will be available on our web page and we encourage students to check back on a regular basis as we continue to grow the number of industry partners.
